Montecatini Terme & the Valley of the Nievole river (valdinievole) is mainly located on [Pistoia](#) county.

### BY PLANE

The area is very close to Florence airport: considering the A1 highway as the privileged access to this land, it takes less than 30 minutes from Amerigo Vespucci Florence Airport to Montecatini Terme highway exit, while it takes less than 50 minutes from Galileo Galilei Pisa Airport to Chiesina Uzzanese highway exit.
